ISI's Easy Giving Plan

ISI's Easy Giving Plan is an electronic funds transfer program that allows your donation to ISI to be automatically deducted from your bank account each month. You save the cost of checks and postage as well as the time required to send your monthly contribution. ISI saves by reducing our processing time and expenses, ensuring that more of what you give goes directly to the National Ministry Fund, staff person or project you support. You won't need to worry about missing the support you've intended to give, and ISI will have more time to focus on ministry to international students.

You'll still receive a tax receipt for each contribution as well as a monthly record of your gift in your bank statement. By simply sending a written notice, you may change your donation amount or cancel your donation at any time.

To start **ISI's Easy Giving Plan**, please fill out the reverse side of this card and return it in the envelope enclosed with your check for this month's regular contribution or a voided check with blank information. After that, the deduction will be made automatically according to your authorization.
