Dr. Promod Haque came to the U.S. as an international student and lived with an ISI host family in Illinois.

Dr. Haque has been ranked as a top dealmaker on the annual Forbes Midas List for the past eight years. In 2004, Forbes named him as the #1 venture capitalist based on performance over the last decade.

He oversees more than \$2.5 billion in venture capital investments around the world as managing partner of Palo Alto-based Norwest Venture Partners, www.nvp.com. NVP has funded over 400 companies since inception. Dr. Haque focuses on investments in semiconductor and components, systems, software and services.

Pulitzer Prize-winning author Thomas Friedman featured Dr. Haque in his bestseller, *The World is Flat*, discussing the dot-com boom & bust effect on the Silicon Valley high-tech industry work force.

BSc. Electrical Engineering, University of Delhi, India.

Ph.D. Electrical Engineering, Northwestern University, MBA Kellogg Graduate School of Management, currently serves on Kellogg's advisory board.
