

Understanding Our GOD, Our WORLD and Our CALL

2 Thessalonians 3:1

ISI NATIONAL CONFERENCE 2009

**June 27 – July 1
in
Colorado Springs,
Colorado**

I want to personally invite you to ISI's 2009 National Conference scheduled for June 27-July 1 in beautiful Colorado Springs, Colorado!

The theme for this year's conference is "Understanding Our God, Our World and Our Call" and is based on 2 Thessalonians 3:1 which commands us to "...Pray that the Lord's message will spread rapidly and be honored wherever it goes, just as when it came to you" (NLT).

We will receive top notch insights from superlative speakers including Dr. Edmund Chan, Senior Pastor/Covenant Evangelical Free Church in Singapore, Dr. Barry Corey/President, Biola University, and New York Times best-selling author and speaker, Mr. Dinesh D'Souza! Additionally, we will be inspired by special testimonies from around the world and attendees may take advantage of our top-tier intensive workshops developed specifically to enhance ministry to international students.

The conference will take place at the Crowne Plaza Hotel and will be a great opportunity to get away, relax, and grow in your ministry to international students while enjoying the company of your peers and mentors.

We look forward to seeing you at the conference—you will not want to miss it!

Speaker Biographies

Rev. Edmund Chan

Senior Pastor, Covenant Evangelical Free Church, Singapore

Rev. Chan is considered by many to be a gifted expositor of Scripture as well as an insightful Christian leader and mentor.

Over the past two decades, he has been actively engaged in his two passions—expository preaching and developing Christian leaders. Rev. Chan's thought-provoking teaching and his books, *Built to Last—Towards A Disciplemaking Church* and *Growing Deep In God*, have been enthusiastically received all over the world.

Mr. Dinesh D'Souza
Author/Speaker

Dinesh D'Souza has been called one of the "top young public-policy makers in the country" by *Investor's Business Daily*. The *New York Times Magazine* named him one of America's most influential conservative thinkers. His articles have appeared in virtually every major magazine and newspaper. His new book *What's So Great About Christianity* examines the assumptions of Christianity and atheism, and argues, among other issues, that Christianity explains what modern science tells us about the universe and our origins better than atheism. Dinesh is currently the Rishwain Research Scholar at the Hoover Institution at Stanford University. He speaks at top universities, business groups, civic groups and churches across the country.
